BECKY and the Swingin' Bards

Live at

Timberstock!

In 2024, help keep the music live and the community together by sponsoring live music all summer for all ages.

Four years ago, we envisioned a festival where music lovers of all ages can gather together, enjoy live tunes, lovely weather, and the camaraderie of friends. It was a safe place to socialize and enjoy the arts. Plus, BSB could practice without fear of catching COVID!

Thanks to our sponsors and friends, we're planning Timberstock 2024. We'll return this spring/summer/fall with new songs, special guests, and the always popular "Stump the Band." All sponsors will be invited to a private reception where you can hang out with the band and be thanked personally (and with ice cream). Join us!

Alternating Sundays in the Summer 3:00-5:00pm
